SPONSORSHIP OPPORTUNITIES

Centered around the excitement of Derby Day, Racing for COMU returns on May 2 for an unforgettable evening of celebration, style, and spirited competition in support of The Columbus Museum.

This year's event is chaired by Cathryn Pease. Cathryn has long been a dedicated supporter of our city and its cultural institutions — her involvement in local community initiatives makes her leadership a powerful force for bringing people together in support of the arts.

Fundraiser festivities begin at 5:30 p.m., welcoming guests with pre-race activities, friendly wagering, and carefully selected bourbons to set the tone. Attendees will then gather to watch the live Kentucky Derby, the thrilling centerpiece of the evening. After the race, the celebration continues with dancing, live music, and a gourmet menu from EPIC, crafted by renowned chef Jamie Keating.

Join us for a night of elegance, energy, and community — all in service of The Columbus Museum's mission to inspire, engage, and connect through art and history.
